github.com/BRVC-ORG/Prosp...

- The post by @realsatoshix shares a GitHub commit updating the README in BRVC-ORG/Prospectus-Draft, adding a Google Scholar alert email as evidence of current account access.
- The commit links to a PDF titled "Donald J Trump - new results.pdf" in a separate proof-of-identity repository, reflecting ongoing documentation of research or verification steps.
- BRVC-ORG maintains Prospectus-Draft as a detailed, chronological log and roadmap for a Bitcoin research, manufacturing, and development company based in the US, with @realsatoshix presenting as its associated Bitcoin creator.
